

KITCHEN REMODELING OPTIONS FOR EVERY HOME

Upgrade your entire kitchen with expert design and installation services.

How does
get more done.

KITCHEN PROJECT OPTIONS

Deciding between a full remodel, cabinet makeover or countertop replacement is key to understanding your project’s timeline, budget and how to get started. The Home Depot® is the industry leader in value, quality product and service.

OPTION 1 FULL REMODEL

Remodeling the kitchen is one of the most rewarding and complex home improvement projects you can undertake. A new kitchen leaves you with endless choices and decisions to make. Our team of designers and top-rated installers is here to help advise and guide you through this process.

OPTION 2 CABINET MAKEOVER

If you love your kitchen layout, but not your cabinets, Home Depot’s Cabinet Makeover (cabinet refacing) may be perfect for you. With a Cabinet Makeover, there’s no need to gut your whole kitchen—just replace and update the kitchen elements of your choice. Your new look includes new custom-fitted doors and drawers, plus upgrades to complement the style and color you’ve selected. Cabinet Makeover uses your existing cabinet box frames to provide you with a new look in less time.

OPTION 3 COUNTERTOP REPLACEMENT

Countertop installation is a great way to give your kitchen the refreshed look you want. At The Home Depot®, you’ll meet with our kitchen design specialists to discuss the surface material, style and color that best fits your home and lifestyle.

KITCHEN REMODEL **GUARANTEE**

Guaranteed low price for online purchases* and in-store purchases.**

Our low-price guarantee:

We will match any competitor's pricing on an identical cabinet, identical special-order cabinet, identical stock or identical custom countertop(s), plus shipping cost.

We'll guarantee that your kitchen will fit.†

The Home Depot® will guarantee the job is done right.

If you use our kitchen designers to design your kitchen and our local certified installers to measure, verify the design and install your kitchen, we'll guarantee your new kitchen will fit based on the approved design and industry standards/tolerances.

Highly rated and recognized kitchen brands backed by some of the strongest warranties.‡

We stand behind our cabinets and countertops.

We offer some of the most highly rated cabinets and some of the most recognized countertop brands in the industry. All of our stock cabinets, special-order cabinets, stock countertops and special-order countertops are backed by some of the strongest warranties in the industry.

*Price-match items must be available from competitor to ship to the customer's location. We will only honor requests submitted directly from the person who made the purchase. Exclusions: Competitor pricing for professional services, including labor and installation costs, rebates, free offers, including bundle offers and competitor gift cards, price matching on financed offers or credit terms, items sold via a third-party or discount site—meaning any products that are not sold directly by a competing retailer.

**If you find a current lower price on an identical cabinet, identical special-order cabinet, identical stock or identical custom countertop(s) from any other retailer, we will match the price. Just bring the ad, printout or photo, including line item quote details and discount, with you to the kitchen designer for validation. (This may involve the Associate contacting the competitor). Exclusions: competitor pricing for professional services, including labor and installation costs, rebates, free offers, including bundle offers and competitor gift cards, price matching on financed offers or credit terms, items sold via a third-party or discount site—meaning any products that are not sold directly by a competing retailer.

†If an issue arises when we're installing, The Home Depot will make necessary product changes to fit the space within the approved design. The Home Depot will not make structural changes to the space. Exclusions: Use of non-The Home Depot designed kitchens, measurements provided by non-The Home Depot certified installers, use of another company and/or contractor to install your kitchen, anything that is discovered during demo that would affect the layout. e.g. additional plumbing or HVAC, wood rot, etc. The Home Depot will guarantee the job is done right when: measurements are completed by our local, licensed and insured professionals, designed by a The Home Depot kitchen designer, verified and installed by our local service provider.

‡Limited lifetime warranty on all kitchen cabinet brands. 15+ year warranty on granite, quartz, solid surface and ultra-compact countertops. One-year labor warranty on installation of cabinets and countertops. Visit your kitchen designer to get specific product warranty information. Exclusions: Does not cover normal wear and tear, cuts or scratches, or damage caused by misuse, impacts or accidents. Please read the warranties and care guides when cleaning to make sure cleaning products won't damage materials.

PLAN YOUR KITCHEN PROJECT BUDGET

On average, customers spend 5%, 10% or 15% of their home value on a kitchen remodel. For example, a customer with a \$250,000 home value should expect to spend between \$12,500 to \$37,500 on their kitchen remodel.

5% OF HOME VALUE UPGRADES

- **Cabinetry:** In-stock cabinetry featuring our most popular door styles with a pullout trash can organization and crown moulding
- **Countertops:** Solid surface or laminate
- **Appliances:** Keeping current appliances
- **Finishing Touches:** New lighting over kitchen island, sink and faucet
- **Layout Changes:** None

10% OF HOME VALUE UPGRADES

- **Cabinetry:** Semi-custom cabinetry with glass doors and under-cabinet lighting, adding a decorative accent, plus must-have storage and organization
- **Countertops:** Granite
- **Appliances:** Upgraded kitchen appliances suite
- **Finishing Touches:** Apron front sink premium faucet, decorative lighting, premium window treatments
- **Layout Changes:** None

15% OF HOME VALUE UPGRADES

- **Cabinetry:** Custom cabinetry made precisely to the new layout. A decorative hood and in-wall double oven has been added with premium storage and organization features built in
- **Countertops:** Quartz with waterfall
- **Appliances:** Premium, smart home-enabled appliances
- **Finishing Touches:** Apron front sink, premium faucet and upgraded premium flooring
- **Layout Changes:** Reconfigured appliance locations

Once you've determined your overall project budget, it's important to estimate where you'll allocate your project costs. Typically, customers spend about 30% of their budget on cabinets, 30% on labor and construction, 15% on countertops and 25% for other upgrades such as appliances, backsplash, flooring and lighting.

TOTAL BUDGET \$ _____	
Cabinets 30% of total budget \$ _____	Countertops 15% of total budget \$ _____
Labor 30% of total budget \$ _____	Other Upgrades 25% of total budget \$ _____

CABINET MAKEOVER OVERVIEW

If you love your kitchen layout, but not your cabinets, Home Depot's Cabinet Makeover (cabinet refacing) may be perfect for you. With a Cabinet Makeover, there's no need to gut your whole kitchen—just replace and update the kitchen elements of your choice. Your new look includes new custom-fitted doors and drawers, new hinges and glides and a new veneer to complement the style and color you've selected. A Cabinet Makeover uses your existing cabinet box frames to provide you with a new look in less time. Ask your Kitchen Designer or Cabinet Makeover Consultant for more ideas.

WHY A CABINET MAKEOVER?

New Look in Less Time

On average, installation is complete in about a week.

Tons of Design Options

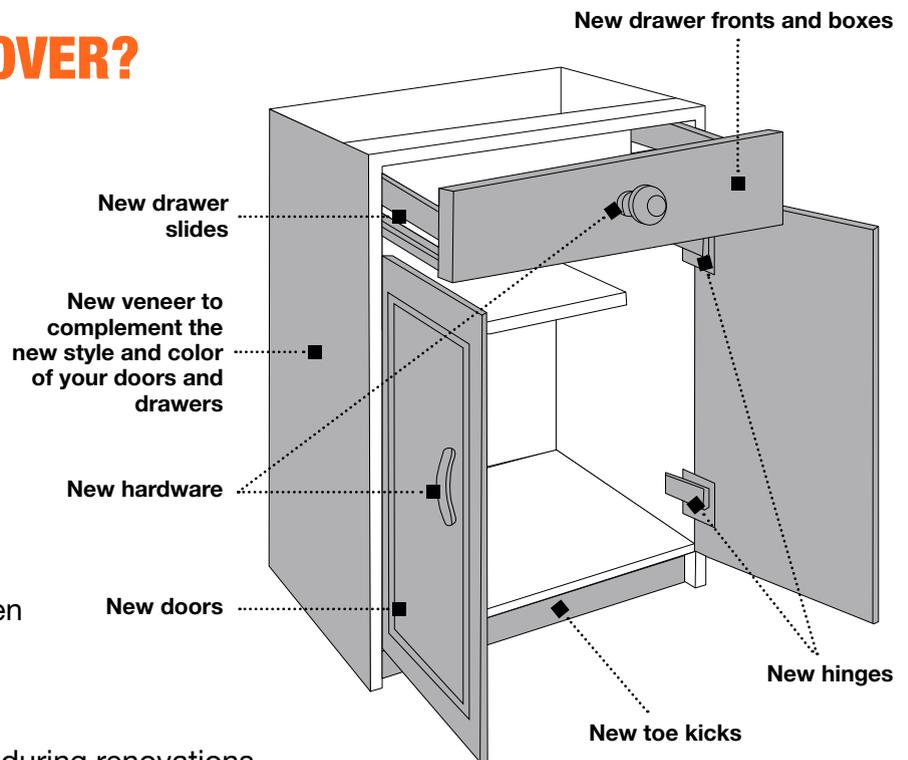

Choose from a wide variety of styles, finish and hardware options; complete your look with additions such as cabinet lighting and moulding.

Add Function

Add new countertops, backsplash, in-cabinet organization, hardware, kitchen islands, cabinets and sinks/faucets.

Keep Cooking

You will have full access to your kitchen during renovations.
