STEPS

- 1. PREPARE:** Always work in a well ventilated area. Cover the surrounding area with a drop cloth to prevent overspray.
- 2. PAINT:** Shake can of Rust-Oleum® Stops Rust Vintage Metallic Rose Gold spray paint for 1 minute after the mixing ball begins to rattle. Hold the paint can 12-14" from the two handles, propped vertically if possible. Apply 1-2 light coats to each handle a few minutes apart. Spray in a steady back-and-forth motion, slightly overlapping each stroke. Allow to dry for 24 hours. Flip handles over once fully dry and repeat the painting process. Allow to dry.
- 3. FINISH:** Attach the two painted handles to your marble slab with maximum strength adhesive glue. Use your finished tray as desired, for example as an appetizer tray, in a variety of ways throughout your home.
