Start your backup plan today!

KeyHero™

Head to Home Depot to get your **FREE DIGITAL KEY.**

The KeyHero App allows you to create a free digital copy of your physical key and stores it on a secure cloud. So if you ever lose your key you can simply head to your local Home Depot and leave with a physical key.

It's Easy, Secure and FREE!

What's your backup plan?

GET STARTED TODAY!

Create a digital key by taking your key to Home Depot & asking your Home Depot key cutting associate to create a FREE digital key.

HAVE YOUR BACKUP PLAN READY!

Lose your key? Bring the app back to Depot to get a physical key using the KeyHero™ app on your smartphone!

Need to share a key? Digital keys can be sent free through KeyHero™ with friends and family so they can go to Home Depot to get a duplicate.
