

THANK YOU FOR CHOOSING THE HOME DEPOT

BEFORE YOU LEAVE THE HOME DEPOT, MAKE SURE...

- ④ You have confirmed you have new connection parts that meet manufacturer requirements – we cannot use existing connection parts for new appliance hookups
- ④ You have chosen a flexible delivery date; you will receive a four hour delivery window the day prior to your delivery
- ④ You have confirmed the color, style and model of your selected unit
- ④ The dimensions of your selected unit will fit the hookup location
- ④ Your printed delivery information is accurate, and you've provided us with an alternate phone number
- ④ There is an elevator, or fewer than three flights of stairs, between the unloading zone and the hookup location

PRIOR TO DELIVERY, REMEMBER TO...

- ④ Ensure a responsible adult age 18+ will be present during delivery
- ④ Clear any obstacles along the path to the hookup location
- ④ Ensure doorways, hallways and stairways are wide enough to fit appliance (if applicable)
- ④ Empty any appliances that are to be hauled away

AT TIME OF DELIVERY:

Notify the delivery agent of damage. Agent will perform short test for proper operation prior to leaving home.

AFTER DELIVERY:

Call **877-946-9843** within 48 hours.

OUR TEAM WILL...

- ④ Contact you the day prior to notify you of your 4-hour delivery window
- ④ Contact you thirty minutes prior to delivery team's arrival
- ④ Uncrate, set in place, level and connect your new appliance*
- ④ Test your new appliance to ensure it operates properly
- ④ Inspect your new appliance for cosmetic damage
- ④ Remove and haul away your old appliance**
- ④ Properly discard all packaging materials

LOCAL TIME

*Please note that delivery agents are not authorized to perform carpentry, plumbing or electrical work, and can hold appliances for no more than 30 days. Hookup does not include built-in products, wall ovens, cooktops, hoods and drop-in appliances.

**Additional Haul Away charges may apply

More saving. More doing.®

DRYERS

More saving.
More doing.®

Thank you for selecting The Home Depot for your dryer purchase and hookup. To help us complete your hookup quickly and completely,* **please ensure the following prior to delivery:**

FOR ELECTRIC MODEL DRYERS:

- ④ You have purchased a **new electric cord and semi-rigid dryer duct** – we cannot use existing connection parts for new appliance hookups
- ④ An appropriate 220-volt outlet is available and located within 4' of appliance; dryers will not be hardwired. Outlets will look like this:

3-PRONG

4-PRONG

FOR GAS MODEL DRYERS:

- ④ You have purchased a **new gas flex connection and semi-rigid dryer duct** – we cannot use existing connection parts for new appliance hookups
- ④ Natural gas shut-off valve has a metal connection and is located directly behind appliance
- ④ **You do not require a propane hookup as they are NOT allowed**
- ④ A 110-volt 3-prong electrical outlet is within reach of power cord
- ④ Note: no gas hookup in garages

*Gas appliance hookup, stacking kits and pedestals are not included in basic delivery rate. Gas hookup not available in all areas. Additional charges may apply. Please note: stacking kits and pedestals can be installed only if purchased and delivered with laundry pair. All dryer models must be vented to the outside of the dwelling; no side venting is offered at time of delivery.

DIMENSIONS OF NEW PRODUCT:
